STRONG PENN STATE LIONS DEFEAT NAVY IN MUD, 13---7

Fourth Quarter.

A long forward pass by Killinger was munied by Hufford. The latter had a clear field in front of him when he muffed and nobody near enough to bother him. Killinger punted over the goal line. From their own 20 yard line the Navy's offence began to quicken, and for the rest of the game the Penn State men, too, had to battle for their lives.

With Kochler ripping the State line two first downs were made and the offensive continued until Killinger intercepted a forward pass. This pass was a poor effort—its direction was poor. Wilson rapped the Navy line for nine yard gains, but Killinger had to punt and kicked to Barchet on the Navy's 5 yard line. The ball would have gone over for a touchdown and Barchet blundered in not letting it go over.

From the fve yard line to Penn State's 19-yard line the Navy carried the ball in series of rushes which threatened to win the game. A double pass was effective and then ngain Barchet circled left end twelve yards from kick formation. Koehler also turned left and went nine. ward pass and the ruse worked. It drew State's forwards in and left the real point of attack unguarded. Frank, State left end, in trying to stop a play was hurt and was carried off the field. Koehler made eight yards on this assault. Penn State was on the run. The Midshipmen in the stand were yelling like mad and the State rooters were alarmed. A first down on State's 27-yard line didn't ease their minds. When the Navy finally was stopped—on State's 19-yard line-only a season. on State's 19-yard line—only a scant foot intervened between the ferocious Midshipmen and a first down. The measuring rod was necessary. Just to show that they had a lusty kick left
